

# Final Call for Papers

## Post-Journal Paper ITEC-AP Presentations

**FINAL SUBMISSION DEADLINE SEPTEMBER 24<sup>TH</sup> 2023**

IEEE Society Sponsors

**Chiang Mai - Thailand | Nov 28 – Dec 1, 2023**

This new initiative will provide an opportunity to the authors of published journal papers to present their work live to the ITEC-AP audience. This new initiative will help the journal authors advocate their published ideas, while at the same time, draw attention to both the participating journals and the ITEC-AP conference. This will be “presentation only”, as the published journal paper will not be included into the ITEC-AP 2023 proceedings.

**Eligible papers must be published during the period of January 1st, 2022 and August 31, 2023.**

### List of Journals from IAS PELS and PES societies and TEC Community:

- IEEE Transactions on Industry Applications
- IEEE Industry Applications Magazine
- IEEE Open Journal of Industry Applications
- IEEE Transactions on Power Electronics
- IEEE Power Electronics Letters
- IEEE Journal of Emerging and Selected Topics in Power Electronics
- IEEE Power Electronics Magazine
- IEEE Open Journal of Power Electronics
- IEEE Transactions on Energy Conversion
- IEEE Open Access Journal of Power and Energy
- IEEE Power & Energy Magazine
- IEEE Transactions on Transportation Electrification
- IEEE Electrification Magazine

### List of Journals from CPSS / CES Societies and IEEE / KIPE Institutes:

- CPSS Transactions on Power Electronics and Applications
- CES Transactions on Electrical Machines and Systems
- CSEE Journal of Power and Energy Systems
- IEEEJ Journal of Industry Applications
- Journal of Power Electronics

### Presentation Session Structure

The planned topics of those session will be consistent with the ITEC-AP technical program scope.

### Registration Requirement

Full registration is required.
